

REMARKS

The Office Action dated March 24, 2008 issued by the Examiner and the citations referred to in the Office Action have been carefully considered. Claims 1-4, 6, 8, 9, 11, 12, and 19-21 are pending. Applicant intends to file an Appeal Brief in accordance with the Notice of Appeal filed on June 16, 2008. Applicant submits this Amendment prior to the Appeal Brief to comply with requirements of **form** expressly set forth in the Office Action dated March 24, 2008 and, therefore, requests entry of the Amendment in accordance with MPEP § 1206(I)(B).

In particular, the Office Action objected to claim 1 for a typographical issue as claim 1 had recited "said tale version." Applicant has amended claim 1 to address this typographical issue. Accordingly, amended claim 1 now recites "said table version." Further, the Office Action objected to claim 11 as it depended on a cancelled claim. Accordingly, amended claim 11 now depends from independent claim 9.

Further, claim 3 has been amended to address a typographical issue. The dependency now reads "1" instead of "I."

Having fully addressed the Examiner's objections, it is believed that this Amendment should be entered and that the objections should be removed. The substantive arguments shall be addressed in the Appeal Brief. It is believed that no fee is required for this amendment. If however any fee is owed, please charge Deposit Account 07-0832.

Respectfully submitted,

/Joel M. Fogelson/
